VIRTUAL SESSION (3-HOUR)

THE POWER OF TRUST BUILDING IN UNCERTAIN TIMES

Optimal relationships - relationships that fuel exceptional teamwork and performance - are built on a foundation of trust. Do you have relationships at work that suffer from compromised trust, particularly during these challenging times? In this interactive session, you'll learn the only real way to repair those relationships - and even optimize them - through trust building. You'll learn the sixteen behaviors driving the Dimensions of Trust: The Three Cs™. You'll get a language to talk about trust-related issues constructively and a shared understanding of how deal with trust challenges. You'll gain pragmatic trust building skills and proven, practical steps to strengthen trust in your relationships. You'll be positioned to shift behavior and break through to high trust, high performing relationships and teams.

DR. DENNIS REINA

Dennis Reina, PhD is an internationally sought after trust-building consultant, speaker and executive coach. He has been deeply engaged in the research and application of organizational trust-building principles since the early 1990s, Dennis is considered a pioneer in the field. His work focuses on the comprehensive study of trust-building: defining it with measurable benchmarks and applying that knowledge to organizations so people and workplaces can thrive.
