VIRTUAL SESSION (1-HOUR)

ACCELERATE: 9 CAPABILITIES TO ACHIEVE SUCCESS AT ANY CAREER STAGE

Being "good at your job" is no longer enough. Today, there are dozens of hidden rules to follow and skills to master in order to succeed - and thrive. But in a working environment that's long on stress and short on certainty, even the most capable professionals are often unsure as to what it really takes to maintain momentum, overcome slumps, and get to the next level. Participants will learn how to quickly identify, understand, and maximize the skills needed to advance in their career... and feel positive and motivated about taking the next steps to get there.

Participants will discover:

- The 9 Achiever Capabilities that help them deal with the emotional side of advancing their career - the anxiety, overwhelm, confusion, and panic - and free their energy and focus
- How the transformational power of recognizing and mastering hidden "career gates" can smooth their path and speed progress
- The one action that can immediately move the needle in their career

MAY BUSCH

May Busch is an international executive and career coach, speaker, facilitator, and the author of *Accelerate: 9 Capabilities to Achieve Success at Any Career Stage*. She is passionate about helping people thrive at work and reach their full potential. She is Senior Advisor and Executive in Residence in the Office of the President, and Professor of Practice at W.P. Carey School of Business, at ASU.

Previously, May enjoyed a 24-year career in investment banking, most recently as COO for Morgan Stanley Europe. She chaired the firm's European Diversity Council and was a member of its European Management Committee. A graduate of Harvard Business School, May is dedicated to promoting greater thought leadership, diversity, and entrepreneurial spirit in the workplace.
