MOST POWERFUL YOU: HOW WOMEN LEADERS CLOSE POWER GAPS & REACH THEIR HIGHEST POTENTIAL

Women have made remarkable contributions to the business world, shaping industries and driving progress. Yet, the path to true equity remains unfinished. Kathy's research uncovers a troubling truth: 98% of professional women and 90% of men encounter at least one of seven critical power gaps, with more than 75% of women facing three or more. These gaps create barriers that hinder professionals from thriving and realizing their full potential.

This program offers an inspiring blend of real-life success stories, actionable strategies, and examples of women who have closed these power gaps. Guided by Kathy's leadership coaching expertise and insights from over 30 leading experts in fields essential to women's success, the program delivers proven solutions and clear steps for growth. Through practical exercises, detailed action plans, and empowering tools, it equips women leaders with the confidence and resources to overcome obstacles and excel in their careers.
