ALL IN: HOW HIGH-PERFORMANCE TEAMS LEAN IN & LEVEL UP

Organizations must navigate constant change to stay competitive in today's fast-moving and unpredictable business landscape. In this dynamic and engaging presentation, Brent Gleeson reveals how the same leadership principles, mindset, and cultural strategies that shape the world's most elite special operations teams can be applied to build high-performing, resilient, and adaptable teams in any industry.

More than just inspiration, Gleeson delivers an actionable framework for continuous improvement, empowering leaders and teams to embrace change with confidence. He draws powerful parallels between high-performance military units and successful organizations, demonstrating how trust, teamwork, and accountability drive measurable success.

Attendees will gain proven tools to cultivate trust, build a culture of accountability, and lead their teams to exceed expectations. With practical strategies that managers can apply immediately, this session equips leaders with the mindset and methods to navigate change, strengthen their teams, and achieve extraordinary results.
